Dear Mr. Tidwell:

Re: Notice of Intention to Commence Large Mining Activities, Gardner Canyon Mine Project, M/023/015, Juab County, Utah

Thank you for your letter, received by the Division September 25, 1990, concerning Robert L. Steele's proposed large mining project located in Sections 22 and 23, T12S, R1E, SLBM, Juab County, Utah. Your agency's designated file number is not noted.

The letter does not satisfy the notice requirements of Rule R613-003 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, Utah Code Annotated.

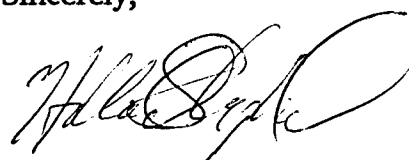

The following information is still required:

Please find enclosed a copy of our Form MR-LMO, which outlines items which need to be addressed by operations which will disturb greater than 5 acres of surface. I have circled those sections where we feel information is deficient. An asterisk has been placed next to each item which must be addressed, by the operator. The form does not have to be filled out in its entirety, only those sections marked. A copy of this letter and enclosure has been forwarded to the operator..
